Education

Master of Science: Furniture, Lighting, and Furniture Design
ArtCenter College of Design | Pasadena, CA

2025

Bachelor of Fine Arts: Designed Objects/ Sculpture
School of the Art Institute of Chicago | Chicago, IL

2022

Experience

Sponsored project
Haworth | Los Angeles, CA

Summer 2024

- Collaborated with a multidisciplinary team to design office solutions, reimagining modern offices into desirable destinations.
- Designing a collection of wall systems, stools, storage units, and interior layout.

Furniture Designer
Walter E Smithe | Chicago, IL

2022 - 2023

- Led custom furniture design projects, translating client needs into tailored pieces and curated interiors.
- Coordinated with 200+ vendors to ensure precise production and on-time delivery across all projects.
- Managed factory partnerships to optimize materials, specs, and production efficiency.

Furniture Designer
Lee Weitzman Furniture | Chicago, IL

2021 - 2022

- Produced high-precision CAD drawings and full-scale prototypes for bespoke furniture lines.
- Drove design development from ideation through execution, balancing aesthetics and technical feasibility.
- Created 3D models and interior concepts, enhancing presentations with SolidWorks, Rhino, and KeyShot.
- Launched and promoted the brand's online presence on 1stDibs, increasing visibility and sales.

Design Intern
Oppo | Beijing

Summer 2021

- Contributed to the development of KV cross 2D/3D platforms, advancing product visualization quality.
- Produced detailed CAD drawings to support engineering and design refinement
- Created 3D visualizations that streamlined client approvals for new product lines.

Furniture Design Intern
Yotrio Corporation | City of Industry, CA | Remote

2020 - 2021

- Researched market trends and integrated findings into competitive outdoor furniture designs.
- Supported full-cycle product development from concept sketches to final prototypes.
- Collaborated closely with a multidisciplinary team to deliver production-ready designs.
